

TRIAD

MULTI SKILLED TURNKEY PROJECTS

We have a direct workforce specialising in turnkey solutions to large integrated projects. Whilst many contractors specialise in one particular area and hire outside resources to deliver other aspects Triad have the resources to deliver the complete project in-house. This allows us to keep full control of the start and completion times ensuring only trained and authorised personnel are allowed onto your sites.

Every project is delivered with a view to achieving a truly impressive finish.

Globe Works, Queensway, Rochdale, Lancashire, OL11 2QY
